Just faxed over the CVs. I will work on the discovery packet. Hopefully, I will mail it out by the end of the week.

Thanks,
Annie

Hello Annie:

Defense counsel is looking for discovery on these drug certs. I need C.V.'s for yourself, Dan Renczkowski, and Della Saunders.

Counsel is also looking for all lab notes, reports, "analytical data forms" "drug powder analysis forms", "electronic spectro-analysis and/or gas chromatography-mass spectrometry data" as well as, "written standards that the lab is required to follow, including any standards issued by the DPH, DPS, or DEA."

Also any chain of custody forms.

You can email the C.V.'s if that is easier. As for the rest of the stuff, you can mail it if it is too much. There is no trial date yet so you have time. If I could have it w/in the next couple of weeks that would be okay.

Let me know if you have any questions. Thanks.
